Next Review Date	June 2024

This policy is written as an extension of the School's Health and Safety Policy, endorsed by its Governors. It is also aligned with our Safeguarding Policy.

Policy Statement

Morley Memorial Primary School will undertake to ensure compliance with the relevant legislation with regard to provision of first aid to all children and members of staff and to ensure best practice by extending the arrangements as far as is reasonably practicable to others who may also be affected by our activities or injured on School premises.

Aims/Objectives

The aims and objectives of this policy will be achieved by:

- Ensuring there are a sufficient number of trained First Aiders on duty and available for the numbers and risks on the premises as identified in individual risk assessments.
- Ensuring there are suitable and sufficient facilities and equipment available to administer first aid at all times, and in all relevant locations, and that an accident book of legally required design is available in which to record first aid administered.
- Ensuring the above provisions are transparent and clear to all who may require them.

Responsibilities

- The Head teacher will ensure that the First Aid Policy and Procedures are regularly reviewed.
- The Head teacher will ensure that suitable and sufficient assessments are carried out to ascertain first aid needs.
- A sufficient number of teaching and non-teaching staff will be offered First Aid training, including Midday Supervisors.
- The Head teacher will ensure that First Aiders are offered training to a competent standard, which includes refresher training.
- The school's Office Manager will, in conjunction with the Business and Community Development Manager and Resources Committee, ensure that arrangements are in place for a suitable budget for training and re-training of First Aiders.
- The school's office staff will ensure that suitable first aid equipment is provided.
- First aid boxes will be available at all times with the appropriate content to meet the needs of children.
- A member of staff checks the First Aid kits regularly, and all who use them are encouraged to replace any items as soon as they need replacing.
- The school will ensure that a first aid notice is displayed in the school office / safeguarding noticeboard which lists the names of First Aiders.
- First Aiders will ensure that all first aid treatments are recorded in the legally prescribed

accident book.

- Confidential details of all pupils must be recorded and stored correctly as per data protection guidance.
- Teachers will ensure that the policy is followed and that first aid arrangements are catered for during activities such as project work in the school grounds, play times and field trips.
- The Head teacher will notify the relevant organisations of any serious accident or injury to, or serious illness of, or the death of, any child whilst in the school's care and act upon any advice given.

Arrangements/Procedures for administering first aid

- In an emergency, the school will call 999 if the child is seriously ill or injured or their life is at risk.
- Records of the risk assessments will be held centrally.
- First aid course booking forms will be processed by the school's Office Manager.
- Trained Teaching Assistants are responsible for administering first aid to the pupils within the class in which they are working.
- During break times, the responsibility for administering first aid is the first aider on duty (teaching assistants or midday supervisors).

Recording accidents and injuries

- All accidents and injuries will be recorded in a written form and such records will be kept for a minimum of three years.
- A written accident slip will be provided to the parent when a child has received any first aid in school.
- Serious or significant incidents will be reported to parents by direct contact with the parent or carer.
- In the case of serious, significant injury or potentially serious injury, such as in the case of a significant head bump, parents will be asked to ensure their child receives appropriate medical treatment.
- In case of head injuries, the parent or carer will be notified by phone as well as provided with a written record. Head bump wristbands are also provided to children.
- In an emergency involving outside medical professionals or services the head teacher or the appointed person will follow the school's established procedures for contacting a parent or carer.

Hygiene and infection control

All staff will:

- follow basic hygiene procedures;
- be made aware as to how to take precautions to avoid infections, e.g. HIV and AIDS.

- ensure good respiratory hygiene procedures by promoting the 'catch it, bin it, kill it' approach
- All staff will have access to single use disposable gloves and hand washing facilities. Disposable gloves will be worn at all times when dealing with blood or other body fluids or when disposing of dressings or other potentially contaminated equipment.

Infection control includes asking parents/carers to collect children from school in the event of sickness during the school day. Such circumstances may include but are not limited to:

- Vomiting or diarrhoea
- New, continuous cough
- High temperature
- Loss of, or change in, their normal sense of taste or smell
- Persistent headache

Reporting accidents to the HSE

- The following types of accidents will be reported to the HSE as required under the Reporting of Injuries, Diseases and Dangerous Occurrences Regulations 1995 (RIDDOR):
 - accidents resulting in death or major injury (including those that result from physical violence);
 - accidents that prevent the injured person from doing their normal work for more than seven days.
