

A QUICK INTRODUCTION TO

The Friends of Morley

Friends of Morley (FoM) aim to celebrate and build our school's vibrant community through fun and engaging events that create lasting memories for the children and bring us all together. We also raise money for the school to pay for extra resources and enrichment activities for our children.

Community events

- ★ Welcome picnic
- ★ Summer fete
- ★ Easter hunt
- ★ Bag 2 School clothes collections
- ★ School discos
- ★ Parent social events
- ★ Design a Christmas card
- ★ Christmas trees
- ★ Winter fair

New September starters... Look out for details of the Welcome Picnic on Classlist.

School enrichments

Over the years, Friends of Morley have provided valuable resources for our school. In recent years we have paid for:

- ★ New library, including £7k of new books
- ★ Forest School equipment and teacher training
- ★ Child enrichment activities such as theatre visits, trips to Duxford museum and external creative workshops
- ★ New sports equipment and Early Years play equipment
- ★ Playground Redevelopment & Equipment
- ★ Class sets of ChromeBooks

Get involved!

Parents can support events in all sorts of ways – behind the scenes organisation, coming up with original ideas, running stalls or just turning up to events and having fun, whilst raising money for the school.

Or how about becoming a class parent? Class parents help to create strong links across the school community and provide a link between FoM and parents.

Whatever you have to offer, we're interested! Contact us on classlist, on the email address below or come to the next committee meeting, **we'd love to see you!**

Classlist

We use the Classlist app to communicate and share information. You can also use Classlist to connect with other families, or ask questions about things like homework or school trips.

Download the classlist app and sign up!
